Class:

Instructor: Kristin Compton

Email: kristinwritingbadly@gmail.com

Phone: (770)-235-9315

MARKERS: For this class, you will need *alcohol*-based markers. There are many options to choose from, and you can choose a combination of different markers to use. Whatever brand you do choose, make sure that your set comes with a colorless blender marker. I'd suggest a set of at *least* 30 colors.

- For *beginners* with looking for an *inexpensive* but decent marker, I'd recommend Ohuhu Alcohol Markers or Caliart Markers. Look for them on Amazon.
- For the *intermediate* student willing to spend more for quality, I'd recommend Prisma Color Double-Ended Art Markers and Spectrum Noir (all reputable art stores).

ADDITIONAL MATERIALS:

- **Marker paper**, at least 11" x 14"- good brands Canson, Copic, Strathmore 400 or 500 Series marker paper
- **Waterproof Pens in various sizes-** (Copic Multiliner or Sakura Pigma Micron)
- Package of **inexpensive colored pencils**
- **Graphite pencils**, whatever type you prefer
- **Erasers** (I love General's Tri Tip)
- **White Gel pens** and/or **Copic Opaque Ink Bottle with brush**

Websites you can get these materials from: Dick Blick, Amazon, Jerry's Artarama, Cheap Joe's, Binder's etc.
