

## Supply List

### All About Color

Instructor: Lauren Adams

[lhapainting@gmail.com](mailto:lhapainting@gmail.com)

#### **Paint**

One warm and one cool of each primary color:

Some examples:

- cadmium red medium, and alizarin crimson
- cadmium yellow medium and hansa yellow
- ultramarine blue and phthalocyanine blue

Plus:

- black
- burnt umber
- Titanium white for acrylics (buy professional grade even if all other paints are student grade)

I recommend Liquitex, Golden, or Liquitex Basics

#### **Surface for exercises**

For acrylics use a canvas pad, multimedia pad, gessoed watercolor paper, primed mat board, Bristol board or canvas board. For watercolor use a block, loose paper, watercolor pad or stretched paper.

#### **Brushes**

- Just a few of your favorites in a variety of shapes and sizes
- Palette knife(s) for acrylic and oil
- Rags or Paper towels
- Palette appropriate for your medium
- Water container(s)

#### **Optional**

- artist's tape or blue tape
- Ruler and pencil

#### **Suggested Books:**

Color Theory: An Essential Guide to Color-From Basic Principles to Practical Applications by Patti Mollica (acrylic and oil)

Frank Webb on Water Color by Frank Webb (has a great section on color theory).

NOTE: If you have questions about supplies or need color substitutions, please don't hesitate to send me an email.
