Painting Medium (optional):

We will not be using any solvent-based thinners in this workshop to accommodate those who are sensitive. You may use water in place of solvent thinner, and modified linseed oil, or the quick dry medium specific to water mixable oils

1-Water

2-quick dry medium

3- modified linseed oil or stand oil

Mediums for water mixable oils:

Palette cups for medium:

<https://www.dickblick.com/items/palette-cup-small-double/>

-or 2 small glass jars with lids for storing used medium.

Brushes:

You can use Bristle brushes or synthetic brushes with water mixable oils. I do keep my oil brushes separate from other brushes. Have several in a variety of sizes and shapes

You can find inexpensive bristle brush sets here:
