

Supply List

All About Colored Clay

Instructor: Chris Campbell

chris@ccpottery.com

Each student will receive an **illustrated handbook** with lots of room to take notes, and a **cut off wire**.

Suggested Supplies

Bring these if you have them. Many will also be available in the studio for student use.

- Your favorite hand building tools
- Needle tool, scissors, ribs
- Any two rulers of the same thickness
- One natural sponge
- Large & small rolling pins, or a pony roller

- Teaspoon measure
- Exacto knife or similar cutting tool
- Quilting ruler (available at craft stores)

- Two or three 1-inch wide, flat brushes: inexpensive, usually found in hardware stores.
- Spray bottle
- Gallon size plastic bags – approx. six to eight
- Six to eight old cloths – for wrapping work in progress
- Small covered container to hold slip
- Non-stick/non-slip work surface such as **heavy pre washed** canvas: approx 24" x 48"
Note: lightweight canvas or unwashed canvas slides too much to be useful.
- Several dry-cleaner bags or plastic bags for overnight storage

Optional Supplies

- Slip trailer
- Small handheld extruder & dies
- Disposable latex type gloves
- Old bedsheets cut into 24" x 48" or so

***During the workshop we will be using Pink, Yellow, Blue, Lavender, Bermuda and Black stain. If you would like to try some other colors of Mason stains during the workshop, bring about 2-4 oz. of the stain.

For any questions regarding supplies, please e-mail me before you buy.
