

Supply List

Painting With a Palette Knife and Brush

Instructor: Maureen Engle

engle.clan@gmail.com

Please bring the minimum supplies listed below as well as any other paints, brushes, etc. you typically use.

- Paint in your choice of Oil or Acrylic. If you are brand new to painting, I recommend acrylic. Minimum colors include all primaries (red, yellow, blue, black, white). Naples yellow, yellow ochre, purple, orange, magenta, sap green, burnt sienna, alizarin crimson and turquoise are good extras.
- Brushes – two rounds approx. sizes #4 and #12 or larger, one large flat or filbert approx. #10. Long handled brushes are typically used for oil and acrylic. For large canvases you may want bigger brushes.
- At least one Palette Knife – approx. 2”-3” bent trowel with rounded tip about \$6 at art supply stores - not plastic.
- Turpenoid solvent if using oils paints – not for acrylic.
- Bring two canvases to the first class, one medium (approx 16”x 20”) and one larger.
- A palette – disposable wax paper palette pads work fine (about \$5 for a book of 50). Bring a gallon size ziplock bag to store used palette.
- An open container for water if using acrylics or a closed jar for turpenoid if using oils.
- A pen, pencil and sketch pad.
- Paper towels.

A snack, drink and favorite music are optional.
