

Supply List

Even More Bezels - Cut-tab Bezels

Instructor: Joanne Hernandez
joanne@joannehernandezmetals.com

Required

- **Sterling silver sheet** for bezel back plate/structure of piece: 20g or 22g: - minimum 2" x 2":

20g sterling silver sheet- Rio Grande Order number: 100458= Qty: 3" x 2" (limited to 3" width with Rio Grande)
or
22g sterling silver sheet- Rio Grande Order number: 100459= Qty: 3" x 2" (limited to 3" width with Rio Grande)
- **Sterling silver rectangular wire or strip** for bezel wall: sterling silver rectangular wire for bezel wall/height taller and thicker than traditional bezels- 12" or 1 foot (or any preferred taller or thicker rectangular wire):

5.0mm x 1.25mm (.196" x .049") - Rio Grande Order number: 100590
or
5.0mm x 1.5mm (.196 x .059") - Rio Grande Order number: 100554
or
5.0mm x 2.0mm (.196 x .078") - Rio Grande Order number: 100552
or
1" x 18g sterling silver sheet (strip) - Rio Grande Order number: 100399 = 6"
(strips for bezel wall will be cut from this strip)
or
1" x 20g sterling silver sheet (strip) - Rio Grande Order number: 100398 = 6"
(strips for bezel wall will be cut from this strip)
- **Cabochon stone(s)** for setting
 - Ideally 13mm or larger.
 - Round, oval or soft free-form stones are easier/faster than complex, cornered stones.
 - This setting is great for larger, taller cabochons!

Optional

- Notebook
- Camera
- Pliers- half-round/flat and round/flat
- Jeweler's saw/ saw blades/lubricant
- Mandrels (ring size)
- Silver sheet and wire (scrap too!) for appliques/ added design interest/ bail or pin assembly

- Heavy wall tubing and/or pre-made bezel cups for added stones
- Lunch/ drinks

NOTE: Instructor will have available for purchase during class:

- Some sterling silver sheet/wire
- Heavy wall tubing
- Pre-made bezel cups, etc.
- Stones
