

Supply List

Crochet Pillow

Instructor: Jamie Kulig

jamiemuklig@protonmail.com

Pattern

Crochet pattern is included with the class. I will provide a digital copy before our first workshop. You may print it out or save the PDF to your digital devices.

This is a pattern I wrote myself and sell online, so please do not distribute outside of the class! Thank you!

Yarn

To create a pillow like the one pictured with the class listing, you will need the following yarn:

- Yarn - Weight 4 - any fiber will do
 - 1 Skein Peacock
 - 1 Skein Turquoise
 - 1 Skein Limelight
 - 1 Skein White

OR you may choose your own color scheme of 4 different colors, 1 skein each. You can also do a single solid color and should only need 1-2 skeins for this small pillow. Be sure to choose a yarn weight of 4, do not mix weights! And avoid mixing fibers if at all possible. *DO NOT SHOP BY COLOR ALONE.*

Notions

- 8" zipper -OR- 2-3 Buttons (larger is better, flatter is preferred)
- thread
- 10" pillow form -OR- polyfill

Tools

- Crochet Hook J - a basic aluminum hook will work as you get started.
I strongly suggest Boye hooks available at most big box stores.
- Scissors
- Yarn needle (metal darning needle preferable)
- Measuring Tape
- Stitch Markers (or safety pins)
