Crochet Techniques

Instructor: Jamie Kulig

jamiemuklig@protonmail.com

Pattern

Crochet pattern is included with the class. I will provide a digital copy before class every week. You may print it out or save the PDF to your digital devices. This is a pattern I wrote myself and will sell online, so please do not distribute outside of the class! Thank you!

Yarn

To create a blanket like the one pictured with the class listing, you will need the following yarn:

- Hobby Lobby I Love Yarn - Acrylic - Weight 4
 - 2 Skeins Burnt Pumpkin
 - 2 Skeins Desert Glaze
 - 2 Skeins Mango
 - 2 Skeins Terra Cotta
 - 2 Skeins Tropical Pink
 - 2 Skeins Tweed

OR you may choose your own color scheme of 6 different colors, 2 skeins each. Be sure to choose a yarn weight of 4, do not mix weights! And avoid mixing fibers if at all possible. *DO NOT SHOP BY COLOR ALONE.*

Tools

- Crochet Hook J - a basic aluminum hook will work as you get started.
I strongly suggest Boye hooks available at most big box stores.
- Scissors
- Yarn needle (metal darning needle preferable)
- Measuring Tape
- Stitch Markers (or safety pins)
- Supply Bag (reusable grocery totes work great!)
