

Supply List

Advanced Quilling Techniques

Instructor: Kathryn Riley
riley.kathryn@gmail.com

Please bring the following items from your introductory course:

- slotted quilling tool with embossing tool (small metal ball tip) at other end
- detail scissors
- awl (needle tool)
- tweezers
- quilling comb
- ruler
- needle-nose glue applicator with Lineco Neutral pH Adhesive or PVA glue of similar quality
- cup with sponge or paper towel (to keep tip of glue bottle moist)
- wax paper or cling wrap
- shape template board
- snowflake grid
- paper or plastic plate (for holding glue)
- old plastic card (such as a hotel key card, loyalty card, or credit card) (also for holding glue)
- straight pins
- OPTIONAL: Instructor will demo how to use an iPad as a small light table. Bring your iPad or similar tablet, with a charger, if you'd like to try this technique during class.
