

## Supply List

### INTERMEDIATE QUILLING: QUILL YOUR INITIAL

Students should bring the following tools and supplies (most were included with the Materials Kit in Introduction to Quilling):

- slotted quilling tool/embosser
- detail scissors
- awl (needle tool)
- tweezers
- quilling comb
- ruler
- circle template board
- needle-nose glue applicator with Lineco Neutral pH Adhesive or PVA glue of similar quality
- cup with sponge (to keep tip of glue bottle moist)
- paper or plastic plate (for spreading glue)
- straight pins

The Materials Kit (\$15 payable to instructor at class) will include the following items:

- 5 x 7" cardstock base with outline of initial specified by student.
- ¼"-wide paper strips in color palette selected by student. Each set of strips will contain various shades of the selected color.
- shadowbox for mounting finished 5x7" artwork.

(After you register, the instructor will email you so that you can specify the initial you wish to work on, as well as the desired color palette for your paper strips.)
