Basic Tools Needed for First Day of Class:

- Needle Tool
- Wire Cutter
- Round Sponge
- Scoring Tool
- Rib

Hello and Welcome!

If you are new to pottery, you will need to purchase some basic tools before class. You may purchase a basic handbuilding tool kit from me on the first day of class if you wish. The kit is \$15 payable to me via cash or Venmo. This basic tool set contains the following tools:

- Needle Tool
- Wire Cutter
- Round Sponge
- Scoring Tool
- Soft Rubber Rib
- Smoothing Tool
- Scotch Pad

Other items I'd like for you to bring to class are:

- Rubber Band for securing your clay bag
- Old Hand Towel for wiping water and clay from your hands while working
- Tool Caddy for holding your tools. This can be anything from a fancy divided organizer with a handle, to a large sour cream container. It just needs to be something that will hold all of your tools and can get dirty.

I look forward to meeting you!
