NOTE: Hello and Welcome!

If you are new to pottery, you will need to purchase some basic tools. For your convenience, I have put together a basic tool set for you that can be purchased from me on the first day of class for \$15. The set includes:

- Needle Tool
- Wire Cutter
- Round Sponge
- Scoring Tool
- Rib

Other items I'd like for you to bring to class are:

- Rubber Band for securing your clay bag
- Old Hand Towel for wiping water and clay from your hands while working
- Tool Caddy for holding your tools (this can be anything from a small divided organizer with a handle, to a school pencil box, to a large sour cream container. It just needs to be something that will hold all of your tools and can get dirty)

I look forward to meeting you!
