- *140 lb. 100% cotton Watercolor paper sheets (at least 6) in sheets, tablets or blocks. Fabriano or Arches 8 x 10 or 11 x 14 Good paper results in good paintings*
- *Scrap watercolor to practice on, the back of old paintings you don't like are good for this.*
- *Your palette of professional watercolor from tubes. Be sure your palettes pads are full with paint, not just a dot or 2.*
- *Watercolor brushes. Variable sizes from a rigger to larger, ½ to 1-inch rounds and a flat brush or two*
- *A roll of paper towels, any kind. I like Viva. A water container, there are some in the classroom.*
- *IMPORTANT: We will use black waterproof pens and markers. One or two Sharpie Ultrafine Permanent Markers work. If you have a fountain pen that uses waterproof black ink, that is the best. Also, a very inexpensive set from Amazon is "Steadler 4 pigment Liner" and you get two extra pens!!*
- *Sketching pencils and for sure a kneaded eraser is needed. I'll provide sketch paper for practice and some templates to copy for your paintings. This is not a drawing class, we will use light boxes to get quick sketches or outlines for our creations and have a lot more time to paint than draw.*
- *Please bring a sack lunch and a beverage for yourself. We will have j45 minute lunch break.*
- *IMPORTANT! PLEASE BRING A COLLECTION OF FALL LEAVES OF DIFFERENT SIZES, SHAPES AND COLORS.*
- *ALSO BRING SOME VARIOUS ASSORTED SIZED JAR LIDS, 2, 3, 4 INCHES.*

**NOTE: Please arrive 15 minutes before class so we can start on time.**
